

Seearco News Update

2 August 2010

Hello to all. Its hard to believe that is has been nearly a year since our last update . letter of September 2009. Since then we have added a number of new abrasive products and some accessory lines

What's New

Klingspor Products

Tungsten Carbide Burrs

A new range of Tungsten Carbide Burrs.
These are manufactured according to the highest quality standards and utmost precision.
We have a number of different shapes available.

Klingloc Disc

We have now include the Klingloc Disc range all manufactured from top quality Klingspor CS409 product.
Available in both 50mm and 75mm. Available in 36g 60g 80g and 120g.
We also have the non woven Webb or surface conditioning discs available in both sizes and coarse medium and fine grades. Suitable for all metal working especially stainless steel

PS29 Belts

We are now stocking a large range of the new PS29 wide sanding belts. This will run in conjunction with PS23 belts. PS2p uses ACT (Advanced Coating Technology) which noticeably reduces the clogging of the belt. Results of 25% and more life has resulted from this technology. Also note that in our narrow belts, 150mm wide, will all eventually be PS29

Flap Wheels

Two new Flap Wheel sizes have been added to our range. These are 30mm Dia x 15 mm and 60mm Dia x 30 mm. Both are available in 60g 80g 120g. These are suitable for all Metal Working including stainless steel.

A60R Inox Cut Off

We now stock a new Inox thin C/O wheel. Klingspor Inox Thin A60R Supra. Available in 2 sizes 115 x 1 x 22 and 125 x 1 x 22. These wheels are softer in the bond than our popular TZ wheels, and offer an alternative if the TZ is not acceptable.

Barrel Wheels

We have added a range of Klingspor "Barrell Wheels"

These are :	SM611 Flap Wheel	60g 80g
	NCW600 Combi Wheel	80g 150g 180g
	NFW600 Non Woven Wheel	Coarse Medium Fine

Commonly used on Flat Sheets polishers for obtaining a range of finishes on metals including stainless steel.
All Wheels are 100 x 100 x 19 in dimension.

Suhner 100mm x 100mm folded non woven abrasive mop wheel, this is particularly suitable for surface finishing of large metal sheets. The folds in the mop help blend the sanding edges together.
i.e No mowing lines. Available in 100g 180g and 280g

TRIZACT Belts

Two sizes of TRIZACT belts are now available 20 x 520 and 28 x 600.

Grit range available 220g 280g 400g 600g 1200g and 2000g.

These sizes are made to suit the Suhner Tube Polishers.

TRIZACT is a new abrasive material with a regenerating grain structure.

Suitable for harder to work metals including stainless.

It can also be cost effective as work steps can be skipped as has a superior finish in a shorter space of time.

The belts also offer extra long service life.

FELT BELTS

Two sizes of white felt belts are now available 20 x 520 and 28 x 600.

These suit our 2 models of Tube Polishers. Excellent for final polishing of all metal tubing.

WHITE ALUMINIUM OXIDE GRAIN

Available in 46grit 80grit and 120grit. Suitable for a wide variety of applications.

White Aluminium Oxide is iron free so is suitable for stainless steel working.

Sold in bags of 25kg per grit

ENGINEERING AEROSOLS

We are now stocking the "Action Can" range of Engineering Aerosols. These have been manufactured in the UK since 1947.

ZG-90

Zinc rich protection with new galv finish. Suitable for a variety of tasks. Offers new galv finish. No need for undercoat as can be used for undercoat and top coat blends with new galvinised metal when dry
Super fast drying
Also Available in black

AS-90 (Anti Spatter)

Big 400gm can
Strong anti-spatter effect
Totally non flammable
Suitable for electric arc or gas welding
Also a welding wire lubricant
Features pleasant aroma

SP-90 Maximum Silicon

A superior silicon lubricant suitable for a wide range of applications, including chemical and food industries where a clear dry film is required.
Clear Dry film
Suitable over a wide range of temperatures
Prevents sticking of rubber plastic parts
Big 500 ml can

RIGGERS GLOVES

Top quality cowgrain leather gloves. Great construction with keystone thumb for greater comfort. Available in XL and XXL
Good all round work glove

All product now available ex stock.
